10:00am – 11:30am

10:00 Welcome, Introductions, Agenda Review Emerson (USIECR)

10:10 ECR Case Presentation & Discussion Schregardus/Manley/Rail (Navy)

“Partnering to Facilitate Site Closeouts and Avoid Unnecessary Investigations”

The Department of the Navy has recently closed out several sites at the Naval Support Facility-Indian Head through successful partnering with Federal and state regulators. The Indian Head Installation Restoration partnering team, known as the IHIRT, utilized the desk-top audit concept to make the determinations that either there was sufficient information already available on these sites to make a decision or there was no need to conduct an investigation at all.

10:30 2006 ECR Report Synthesis Bear (CEQ)/Espinosa (OMB/  
Emmerson (OMB/CEQ/DOI))
